

BBEX
GOES TO THE MOVIES
CELEBRATION OF BUSINESS

A CELEBRATION OF BATTLEFORDS RESILIENCE

The BBEX Awards were created in 1993 to celebrate business excellence in the Battlefords and surrounding area.

Considering the challenges of 2020, the Battlefords Chamber of Commerce together with the BBEX Awards Committee has made a change to the annual BBEX celebration for this year. Resilience and community support are at the heart of the Battlefords and will be celebrated at this year's BBEX Awards.

Applauding Battlefords
Business

Recognizing the way
Battlefords businesses provided

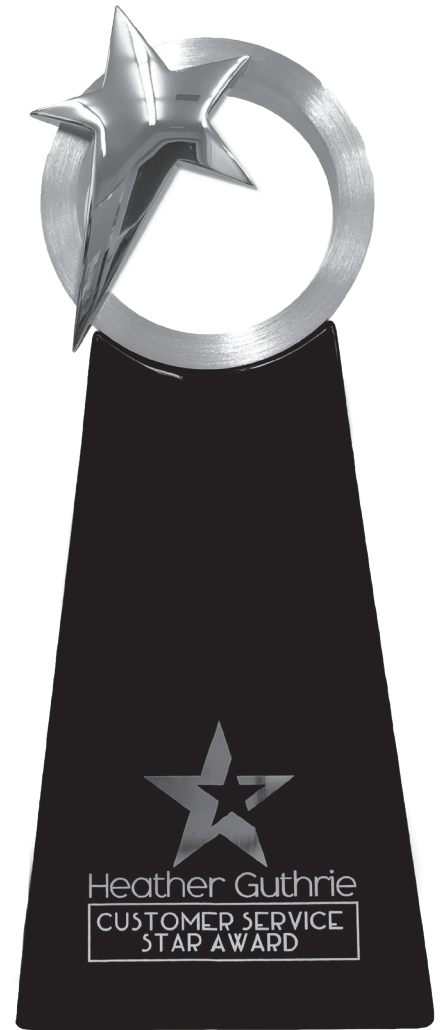

Celebrating business and individuals
that became the Battlefords

RESILIENCE

**COMMUNITY
SUPPORT**

**EVERYDAY
HEROES**

This year, it is only fitting to recognize everyday heroes (businesses and individuals) who have demonstrated resilience, innovation and helped the community through this challenging year.

In addition to recognizing innovative and resilient businesses, the BBEX Awards will also present the first Heather Guthrie Customer Service Star award for excellence in individual customer service.

The BBEX application system will be different this year, as nominees will not fill out the standard application documents, and no additional materials are required to be submitted. Nominations will come from the local business community and the community at large, who can nominate individuals and/or businesses who have served their community, sector or their customers.

Nominate someone in the community for
a BBEX Award:
